

FlexRite™

Phthalate Free

APF

APF is a **Phthalate (DEHP) FREE** vinyl tubing. Designed to be softer for use with laboratory equipment and vacuum lines. It also addresses the concerns of REACH compliance and meets USP Class VI testing.

Features:

- Softness and Excellent Flexibility
- Superior Biocompatibility
- Phthalate (DEHP) FREE

Applications:

- Biopharmaceutical
- General Laboratory
- Incubators
- Vacuum Pumps
- Condensers
- Drain Lines
- Gas Lines

Packaging:

- Continuous Coils
- Pre-Cut Lengths
- Custom Assemblies

Certification:

- USPClassVI
- BSE/TSE Compliant
- RoHS, REACH, 3-A* Compliant

MODEL	I.D.	O.D.	LENGTH
